Description

the masters door opening device

this fantastic screen used prop is from the classic colin baker story mark of the rani, it was used by the master played by anthoney ainly to open the door to the rani's lair, it is made from perspex and metal it is a working prop and glows red when you press the button on top.it was first sold by guest auctioner john nathan turner at panopticon 90 before which it was part of his personal collection.props belonging to the master are very rare, and this looks great on display.

i have been collecting dr who props for over 18 years and am well known in the collecting community, i will guarantee this item is 100% authentic for life, it can be seen on the well know RICHARD WHO collecting site in my private collection under (JAMIE FROM WALES)
